Inside Out (Chris Shepard Remix)

Die Krupps

What happened to my life
What happened to my pride
I'm a victim of your love
I can't cope with this world no longerYou have my fate in your hands
I'm on the verge of self destruction
I don't see a way out
If this was your intention
To turn me inside outWhat's the reason of my life
There's no pleasure in my heart
Now I'm disillusioned
And I had so much more in mind
