

# You Ain't Got a Hold On Me

AC/DC

You can roll me round your finger  
You can roll me if I'm blind  
You can roll me tally ho ho  
I'm easy rollin' kind  
But don't think I'm facin' down hill  
'Cause soon you'll see  
You'll lose your grip and slip  
'Cause you ain't got a hold on me  
CHORUS:  
You ain't got a hold on me  
You ain't got a hold on me  
Why don't you let me free  
'Cause you ain't got a hold on me  
You can take me to your bedroom  
You can take me to your heart  
You can take me to a climax  
I won't fall apart  
But don't count on me givin' it  
All back to you  
Just because I'm hooked on livin'  
Doesn't mean I'm hooked on you  
CHORUS
