What My Love?

Spin Doctors

I don't know what my love supposed to do
I don't know what my love supposed to do
Well, that's how I fell when I put my arms around you
Four walls, five beers, a burp and one t.v.

Four walls, five beers, a burp and one t.v.
That's all you left, mama, of my happy home and me
I don't know what my love supposed to do
I don't know what my love supposed to do
Well, that's how I feel when you put your hands on me
