Turn Back the Time

Miss May I

Turn back the time.
Let me try this again.
Watch me crawl out of the hell I'm in.
I'm not the man that I thought I'd be.
My mind has not become my reality.
Side swiped in all directions by everything I try.
The mangled wreck inside me is all that's left behind.
In another world, in another time, I will take back what is mine.
Rewind all I've done.
Rewind my mistakes away from everything I've come to be.
Through the suffering, I take another chance.
Reliving everything I've done inside my head until I reclaim who I am.
Turn back the time.
Let me try this again.
Watch me crawl out of the hell I'm in.
I can make it out.
I can make it out.
Let me out of this hell I'm in.
Just let me out of this hell I'm in.
I'm reliving everything I've done inside my head.
Through the suffering, I take another chance.
Reliving everything I've done inside my head until I reclaim who I am.
Turn back the time.
