I Should Tell You

Rent

I should tell you, I'm disaster
I forget how to begin it
Let's just make this part go faster
I have yet to be in itI should tell you, I should tell you
I should tell you, I should tell youI should tell I blew the candle out
Just to get back in
I'd forgotten how to smile
Until your candle burned my skinI should tell you, I should tell you
I should tell you, I should tellWell, here we go, now we, oh no
I know this something is here goes
Here goes, guess so it's starting to
Who knows? Who knows?Who knows where? Who goes there?
Who knows? Here goesTrusting desire, starting to learn
Walking through fire without a burn
Clinging a shoulder a leap begins
Stinging and older, asleep on pinsSo here we go, now we, oh no
I know, oh no
Who knows where? Who goes there?Here goes, here goes
Here goes, here goes
Here goes, here goes
