

Midvikudags

BjÃ¶rk

The nerves are sending shimmering signals
All through my fingers
The veins support
Blood that gushes impulsively towards
Is the triumph of a heart that gives all
That gives all
The triumph of a heart that gives all
That gives all
The stubborn trunks of these legs of mine
Serve as pathways for my favorite fuel
Heading upwards towards my kidneys
(That celebrate)
The triumph of a heart that gives allSmooth soft red velvety lungs
Are pushing a network of oxygen joyfully
Through a nose, through a mouth
But all enjoys, which brings us to
The triumph of a heart that gives all
That gives all
