

Hadda Be Playing on the Jukebox

Rage Against the Machine

Lookin' like a bunch of Frat boys at summer camp and shitIt hadda be flashin' like the daily double

Hadda be playin' on TV

Hadda be loud mouthed on the comedy hour

Hadda be announced over loud speakers

The CIA and the Mafia are in cahoots

It hadda be said in old ladies' language

It hadda be said in American headlines

Kennedy stretched and smiled

And got double crossed by lowlife goons and agents

Rich bankers with criminal connections

Dope pushers in CIA working with

Dope pushers from Cuba working with

Big time syndicate Tampa, FloridaIt hadda be said with a big mouth

It hadda be moaned over factory foghorns

It hadda be chattered on car radio news broadcasts

It hadda be screamed in the kitchenIt hadda be yelled in the basement where uncles were fighting

It hadda be howled on the streets by newsboys to bus conductors

It hadda be foghorned into New York harbor

It hadda echo under hard hatsIt hadda turn up the volume in the university ballrooms

Hadda be written in library books, footnoted

Hadda be in the headlines of the Times and Le Monde

It hadda be barked over TVHadda be heard in side alleys through ballroom doors

It hadda be played on wire services

Hadda be bells ringing

Comedians stopped dead in the middle of a joke in Las VegasHadda be FBI chief J. Edgar Hoover

And Frank Costello syndicate mouthpiece

Meeting in Central Park, New York weekends

Reported Time magazineHadda be the Mafia and the CIA together starting war on Cuba

Bay of Pigs and poison assassination headlines

Hadda be dope cops in the Mafia

Sold all that heroin in AmericaHadda be the FBI and organized crime working it together in cahoots

Against the commiesHadda be ringing on multinational cash registers

World-wide laundry for organized criminal moneyHadda be the CIA and the Mafia and the FBI together

Bigger than Nixon and bigger than warHadda be a gorged throat full of murder

Hadda be a mounted ass, a solid mass of rage

Hadda be a red hot head

A scream in the back of the throatHadda be a Kissinger's brain

Hadda be in Rockefeller's mouth

Hadda be the central intelligence, the family, offing the agency Mafia

One big set of gangs working together in cahoots Hitmen
 Murderers everywhere
 Outrage gonna make
 Secret, drunk, brutal, dirty, and rich On top of a slag heap of prisons
 Industrial cancer
 Plutonium smog
 Garbage cities, grandmas' bedsores Fathers' resentments
 Hadda be the rulers
 Wanting law and order
 And they got rich on wanting protection for the status quo Wanted junkies
 Wanted Attica
 Wanted Kent State
 Wanted war in Indochina Yeah
 It hadda be the CIA and the Mafia and the FBI
 Multinational capitalists
 Strong armed squads
 Private detective agencies for the oh so very rich And their armies, their navies and air force bombing planes
 Hadda be capitalism
 The vortex of this rage
 This competition man to man The horses head in a capitalists' bed
 The Cuban's turf ? competitions
 Hitmen in gang wars across oceans Bombing Cambodia settled the score
 With White House pots and pans
 A warning to Mediterranean governments The secret police have braced for decades The NKPD and CIA keep
 each other's secrets
 The OGBU and DIA never hit their own
 The KGB and the FBI one mind Brute force and full of money
 One mind, brute force, and full of money
 One mind, brute force, and full of money
 One mind, brute force, and full of money
 One mind, brute force, and full of money And full of money
 And full of money
 And full of money It hadda be rich and they hadda be powerful
 They hadda murder in Indonesia five hundred thousand
 Hadda murder in Indochina two million
 Hadda murder in Czechoslovakia
 Hadda murder in Chile
 Hadda murder in Russia
 And hadda murder in America That was a poem by Allen Ginsberg
 Called "Hadda Be Playing on the Jukebox"
 He's a great poet
