Save Me

The Tea Party

I must leave you tonight my love, remain so faithfully
I must go off to war my dear, the kings await me
I will go so far away.
I will always love you, but you knew.

I regret to tell you, your man has died tonight.
He was a brave man, he fought a brave fight.
He was killed by the other side.
He was killed by the other men's knives.

She said save me
Save me

Why must you love this man, he is your brother?
This is easy to understand, my son, there is no other.
I cannot pretend to love this man like my father.
I cannot pretend, mother, there is no other.

She said save me
Save me

When there is no truth, let's end this lie tonight.
This is easy to understand, without your best fight.
But I see a new sun rising in the east
But I see a new sun rising in the east

She said save me
Save you!
