The Hunger

Lee Roy Parnell

Written By Lee Roy Parnell And Tony ArataSome Will Only Lay Their Money Down
On The Strongest One Others Take
Another Way Around They Want The
Fastest Gun I Know About It, Heard
It All Before And I Believe There Is
Somethin More A Power That Can
Lay The Quick And The Mighty Right
Under
Ill Take The One With The Hunger
Ill Take The One With The Hunger
Some Had To Fight Tooth And Nail
Just To Get This Far Struggle And
Sweat Each And Every Day Knowing
What The Chances Are Hopes Fading
And Wearin Thin Cant Give Up And
They Wont Give In With The Wolf At
The Door Diggin His Hole Right Under
It Takes A Soul With The Hunger It
Takes A Soul With The Hunger
Long Ago I Learned A Simple Fact
That You Keep On Going Cause You
Cant Go Back And If It Dont Do You
In, Itll Make You Stronger Give You
A Soul With The, Give You A Soul With
The Hunger
Long Ago I Learned A Simple Fact
That You Keep On Going Cause You
Cant Go Back And If It Dont Do You
In, Itll Make You Stronger Give You
A Soul With, Give You A Soul With The
Hunger
It Takes A Soul With The Hunger Eat
Up With The Hunger
