Private Property

Judas Priest

You think you're cool and got it all
You think you run the scene
I don't believe how you'd conceive
That your good enough for meYou think, you've got it all sewn up
But I'll cut you right down to size
The way I figure you don't exist
So you'd better realizeDon't you touch
Don't get near
Don't take me for a foolMake no mistake
No give and take
I'm too good for youSo keep your hands off
Private property
Hands off
Oh ohKeep your hands off
Private property
Hands off meHands off
Keep your hands off meI'm number one when I turn it on
Do you think you can relate
You'd be amazed, left in a daze
To see me operateDon't you touch
Don't get near
Don't take me for a foolMake no mistake
No give and take
I'm too good for youSo keep your hands off
Private property
Hands off
Oh ohKeep your hands off
Private property
Hands off
Oh ohYou live in a fantasy
I don't even care
If you're lookin' for sympathy
It ain't thereHands off
Keep your dirty hands off meSo keep your hands off
Private property
Hands off
Oh ohKeep your hands off
Private property
Hands off

Oh ohKeep your hands off
Private property
Hands off
Oh ohKeep your hands off
Private property
Hands off
Oh oh
Hands off
