The Spy

Morrison Hotel

I'm a spy in the house of love
I know the dream that you're dreaming of
I know the word that you long to hear
I know your deepest secret fearI'm a spy in the house of love
I know the dream that you're dreaming of
I know the word that you long to hear
I know your deepest secret fearI know everything, everything you do
Everywhere you go, everyone you knowI'm a spy, in the house of love
I know the dream that you're dreaming of
I know the word that you long to hear
I know your deepest secret fear
I know your deepest secret fear
I know your deepest secret fearI'm a spy, I can see what you do, and I know
