

True North

The Crossing

Verse :

Love I know
That you felt so alone
Some nights ago
Someone left you for the road
Maybe all I'm homesick for is

Chorus:
Someone just like you
Someone that can take me back cause where I'm at it
Nowhere close to true north
Someone just like me
Is fighting hard to keep you close
Cause no one know
You've been missing me

Verse:
Gone out of sight
Out of mind
Or just in mine
I tried
As I might
To push you out
You just might find

Chorus:
Someone just like you
Someone that can take me back cause where I'm at it
Nowhere close to true north
Someone just like me
Is fighting hard to keep you close
Cause no one knows
You've been missing me

Bridge:
You run
Out there on your own
Somewhere in the north
Out there on your own
Outro:
(I hope you find your home)
Out there on your own
(I hope you find your home)
Somewhere in the north
(I hope you find your home)
Out there on your own
(I hope you find your home) x2
