

Dirty Dancing

Black Eyed Peas

Muevele, muevele
Muevele, muevele, muevele Bailar, yo quiero baila la, la, la bailar
Mueve las nalgas, shake your ass girl
A la musica, we'll be dancing, dancing, dancing up in Havana
And we gonna shake it, shake it, shake it, gonna shake it Hips start shakin' and movin' all around
Hips start shakin' and movin' all around
Hips start shakin' and movin' all around
Get them hips shakin' around I like to dirty dance, I like to do my thang
So mami get a little loose and make your hips swing
It's like were making when I am dancing with you
It's like you climax, mami when I dip you So let's just dirty dance, yeah, let's salsa
Let's do that on the floor and make it hot now, hot
And mami move your culo to the Conga
Sweat dripping down your body, is how I want ya And muy caliente, is how you makin' me
To paradise, mami, is where you taking me
And all we really doing is moving our feet
Dancing really close and creating some body heat But I remain elegante, you say elegante
That is so irrelevant, let's us keep on dancing 'cause look
I speak English and you speak Spanish
And music is the only thing that we be understanding And I just wanna be dancing
Dirty, dirty, dirty dancing
