

Las Palabras De Amor (the Words Of Love)

Queen

Calling all boys, calling all girls
Calling all people on streets
Around the world
Take this message a message for you
This message is old, yeah
This message is true, this message is
This message is, this message is, this message is

Love take a message of love
Far and near
Take a message of love for all to hear
For all to hear

Some sleepless nights in wait for you
Some foreign presence you feel
Comes seeping through
Some stream of hope
The whole world through
Spread like some silent disease
You'll get yours too
This message is, this message is
This message is, this message is

Love take a message of love
Far and near
Take a message of love for all to hear
For all to hear

Love take a message of love
Far and near
Take a message of love for all to hear
For all to hear

Calling all boys, calling all girls
Calling all boys, calling all girls
Calling all girls...
