Panic

Barclay James Harvest

Panic
When you hear the music stop
Never let the silence win
Turn the record on againPanic
When you hear the music stop
Never let them turn you down
Volume up and record round
Yeah, yeah, yeah, rock and rollWe love you
Yeah, yeah, yeah, turn the music up
We love you
So don't panic
Turn it up
Don't panicPanic
When you hear the music stop
If they get under your skin
Give the disc another spinPanic
If they try to shut you up
Never let them shout you down
Volume up and record round
Yeah, yeah, yeah, rock and rollWe love you
Yeah, yeah, yeah, turn the music up
We love you
So don't panic
Turn it upPanic
When you hear the music fade
Raise your hands up to the sky
Never let the volume diePanic
When you hear the rhythm slow
Stamp your feet upon the ground
Volume up and record round
Yeah, yeah, yeah, rock and rollWe love you
Yeah, yeah, yeah, turn the music up
We love you
So don't panic
Turn it up
