

# Everything About You [Remix][\*]

Steve Poltz

I love everything about you  
I love the way you comb your hair  
I love the way you sashay in the room  
Your perfume lingers in the air I love everything about you  
Woah, about you mmmmm I love the way you lick your lips, dear  
You've got fireworks in your head  
and I love the way you bring me water  
When I'm thirsty in your bed  
I love everything about you  
Woah, about you mmmmm You were surely kissed by angels  
Look at the freckles on your face  
You got the devil in your eyes  
You disappeared without a trace I love sneaking up behind you  
When you're lookin' in the mirror  
The way your eyes lock into mine, dear  
Without guilt and without fear  
I love everything about you  
Woah, about you mmmmm I love everything about you  
Woah, about you mmmmm
