

Just A Touch

50 Cent

Well what in the world? Women in black
Don't you remember send us back
A day in the life well nobody laughed
Look to the days how long can this last
Kevin heard it on the radio
Hugh informed word of mouth
Carla read it in the news
Caught it all just a touch
You set the pace of what was to come
I have to carry on now that you're gone
A day in the life well nobody laughed
Look to the days how long can this last
Kevin heard it on the radio
Hugh informed word of mouth
Carla read it in the news
Caught it all just a touch
There's someone in our dreams in our preassembled dream
Lord, Dave, William
Well what in the world? Women in black
Don't you remember send towering past back?
A day in the life well nobody laughed
Look to the days how long can this last?
Kevin heard it on the radio
Hugh informed word of mouth
Carla read it in the news
Caught it all just a touch
I can't see where to worship
Popeye, love Al Green
I can't see, I'm so young, I'm so goddamn young
