Do You Feel The Same

Ian Van Dahl

There is something You should know Now I found you I won't let go
All I'm asking Will you be mine Tell your feelings Cause life's too short for wasting time
Tell me Do you feel the same Or am I getting in your way Someone tell me what to do 'Cause I am in love with you
Do you feel the same I belong to you

Stop pretending Don't try to hide It's all or nothing Make up your mind
All I'm asking Will you be mine Tell your feelings 'Cause life's too short for wasting time
Tell me Do you feel the same Or am I getting in your way Someone tell me what to do 'Cause I am in love with you
Do you feel the same I belong to you
