Nice to Be With You

Oh, it's so nice to be with you
I love all the things ya say and do
And it's so nice to hear you say
You're gonna please me in every way
Honey, I got the notion
You're causin' commotion in my soul

Baby, you and me have got somethin' that's real
I know it's gonna last a lifetime
Aww, ya better believe it, girl
At night I call your name
Darkness fills my room, I'm only dreamin'
About the time I'm gonna be with you

Oh, it's so nice to be with you
I love all the things ya say and do
And it's so nice to hear you say
You're gonna please me in every way
Honey, I got the notion
You're causin' commotion in my soul

[Instrumental Interlude]

When I'm feelin' down
You're there to pick me up
And help me to carry on
Aww, little things mean a lot
When you need a shoulder to cry on
I'm there to ease the pain
And chase away the rain
Aww, darlin', I just gotta say

Oh, it's so nice to be with you
I love all the things ya say and do
And it's so nice to hear you say
You're gonna please me in every way

Oh, it's so nice to be with you
I love all the things ya say and do
And it's so nice to hear you say

You're gonna please me
