Angel Dance

Los Lobos

Good night, sleep tight
The big bright sun has gone away
Done gone away
Goodbye, don't cry
Tomorrow will bring us a brand new day
We can run and play[Chorus:]
And they'll laugh up and down the hall
Don't you go shout when you hear them fall
Let them fly across the wall
Let them cry - 'til the morning calls
Little two step angel dance
Big night, bright lights
Time now to lay them all to rest
Put 'em all to rest
Bad guys, mean eyes
All gone away to where they belong
Let's just sing our song[Chorus]
Good days, new ways
Let go of all things when you sleep
When you're all asleep
Good night, sleep right
Tomorrow is gonna bring us another day
So we can run and play[Chorus]
