Beautiful Rose

George Baker

You're the dancing queen, silver dream
To see you walking in tide blue jeans
My oh my, you're something out of space
To see your shining hair, deep blue eyes
Lord it almost make me cry
Come on girl, so you can hear me sayI said: Oh you're my beautiful rose in the morning
Oh you're my beautiful flower in spring
I said: Oh you're my beautiful rose in the morning
I wanna pick you baby, to give me everythingI played my old gitar, just for you
So tell me what else can I do
To make you mine, and love you al night long
Come on and hold me tight, make it right
And we'll make love till the morning light
Together we can make this life a song
I said: Oh you're my beautiful rose in the morning
Oh you're my beautiful flower in spring
I said: Oh you're my beautiful rose in the morning
I wanna pick you baby, to give me everything
...Music...
I said: Oh you're my beautiful rose in the morning
Oh you're my beautiful flower in spring
I said: Oh you're my beautiful rose in the morning
I wanna pick you baby, to give me everything
I wanna pick you baby, to give me everything
I wanna pick you baby, to give me everything
