

# Patty's Killing Mel

## Circle Jerks

Good as dead,  
the plate stays cool, the meat stays warm  
shit just coming on  
Read the signs, sound the alarm patty's killing me  
Senseless murder I can tell  
patty's killing me  
red meat, cocktail send him in to hell Give the dog a bone,  
You can tell him not to eat, but is it safe?  
A deadly game, I will repeat Susie's killing Sal  
bobby's killing Joe  
its your blood, who's to know?  
Killer killing dale sally' killing Sam  
Get to close you'll understand Patty? Yes Mel?  
Is that Doug beneath the counter?  
Does this mean you don't love me anymore? Patty's killing Mel  
High rise custom, condo jail  
Patty's killing Mel  
hide the keys, raise the bail  
patty's killing Mel  
Right next to the danger zone  
Patty's killing Mel down the block  
Close to your home Patty's killing Mel!
