

# Come On Home To Me

**Tracey Thorn**

A bird can fly on just one wing  
But then why should he?  
Where there's sky there must be rain,  
Where there's you there's me[Chorus]  
So do it all get it done, be all there is to be  
Than wrap yourself in something warm  
And come on, come on,  
Come on home to me Love can die and never know  
What it might have bin  
You and I will never know  
Until we try again[Chorus]
