

Hey Boy

Mark Ronson & The Business Intl.

Hey boy, hey
Hey girl, hey
Hey boy, hey
Hey girlHey boy, hey
Hey girl, hey
Hey boy, hey
Hey girlI've done some dirty deeds
But I've never done a dirty deed to you
Years in the wilderness
'Til you found me and gave me something trueHey girl, you've lucked out
All the other girls, they can only stare
That boy, he's so beautiful
Sleeping in the chair
People change, but we're still here
We set sail without a destination
Weathered storms along the way
Face to face with temper and temptationHey girl, you've lucked out
All the other girls, they can only stare
That boy, he's so beautiful
Walking over hereI've found what heart is
It's being next to you
Without a single breath between us
(Between us)I've found what heart is
It's being next to you
Without a single breath between us
(Between us)
Check it out, let me tell you about this girl named Rose
She just got the sensation
Said I'd be there around 3 o'clock
Inside your house, I've been waitingHer mother and brother, they greet me
They're wonderful
Your house looks nice, and your son does too
On his way to Sunday schoolSummer's coming back on my mind
Get the girl, baby, I'll stand in line
You could bring your girls, I don't mind
3 nights, 2 days, I'll be fineGet the bread, get the cheese, get the wine
Music blasting, a good time
You and me, we're aligned
What ya say, what ya say, hey girl, heyHey girl, you've lucked out

All the other girls, they can only stare
That boy, he's so beautiful
Sleeping in the chairI've found what heart is
It's begin next to you
Without a single breath between us
(Between us)I've found what heart is
It's being next to you
Without a single breath between us
(Between us)
