Get to Know Ya

Jesse Johnson

I've had my eyes on you for such a long time
So long girl, it feels like you're mine
You're not aware, but you're part of my charade
Ooh yes you are
I'd take you home with me, if I could
Get to know ya, misunderstood
Cause there's no reason why I hurt so deep inside
Ooh burn me babeI just want to get to know yaEvery time I dream I see your face
Come on girl you make a man displace
This, heart I'm going to feel your love
Ooh yes you do
I wish I knew I'd do the best for you
Your unique style let me be your moon
You've got the fire, and you know when to turn it on
Ooh turn me onI just want to get to know ya
(Repeat)
