

Wish You Was Down

Esham

One time, I'm fina blow ya mind, I'm fina flow I'm the unholy a.k.a. Esham if ya don't know
Like to rub and dub when I'm in the club Let your girl do me while I'm maxin' in the tub
Suckas try to diss, they can't go like this Wishing they were down with Reel Life Products, but they wish I get ill, I might kill

Another sucker MC just for a thrill

My name is Esham I got nothin' to prove Pay attention my intention is to bust a move
I might smoke a little cheeba, but some call it reefer Give me R-E-S-P-E-C-T, but name ain't Aretha I like to get loose, I'm the MC with the true I came to give the party that extra boost

Party people in the place listen to my bass Like my man flavor flav said it's the bass for your face
The real, not phoney, I loves the tenderoni But just because I mack I gotta be a macaroni Yes yes y'all, and ya don't quit
Esham rocks the house with the funky shit It goes (CHORUS)(8x) Wish you was down with Reel Life Products Ain't that right bro? Suckas getting jealous, J-E-A-L-O-U-S But I'll knock your ass out like my man Joe

Louis

I'm never fakin' titles I'm takin' Money I'm makin' and hearts I'm breakin'

U-N-H-O-L-Y's here to rock your bell

And if you disagree then you can go to hell I'm almost through so I'ma blaze my true But damn I gotta stop to check my mic 1, 2

I'm cool like the snow and I'm good to go

It's your man Esham on the radio show With another funky fresh Reel Life sound

All the niggaz that be talkin' that shit just wish they was down (CHORUS)
