

# She Made a Man Out of a Mountain of Stone

[Aaron Tippin](#)

Now once I stood like a mountain high  
Cold and rough and no sign of life  
Didn't need no one didn't want no love  
Yeah, but that was before I felt her touch  
She made a man out of a mountain of stone  
What the whole world couldn't change  
She did all alone, she polished up the good  
And she chipped away the wrong  
She made a man out of a mountain of stone  
She made a man out of a mountain of stone  
With a willing heart and patient hands  
She poured her love on a hopeless man  
Oh, the doubters laughed they couldn't see  
And now they stare in disbelief  
She made a man out of a mountain of stone  
What the whole world couldn't change  
She did all alone, she polished up the good  
And then she chipped away the wrong  
She made a man out of a mountain of stone  
She made a man out of a mountain of stone  
Now I ain't perfect by any means  
But I suit her and that suits me  
Hey, I'm a miracle of a woman's love  
And I'll be her rock till I turn to dust  
She made a man out of a mountain of stone  
What the whole world couldn't change  
She did all alone, she polished up the good  
And then she chipped away the wrong  
She made a man out of a mountain of stone  
She made a man out of a mountain of stone
