Sarmoti (Behind the Tiger's Eyes)

Darren Romeo

Eyes are like a gateway to the soul
I looked into a heat and saw another role
In every walk of life, there must be trust
'Cause there's a man inside the beast and a beast in all of us

Sarmoti is behind the tiger's eyes
the beating of a heart, is the pulse of every life
Sarmoti, we must do all we can
to help a living thing, makes us better men

Who is there until the very end
with an uncompromising heart, we call it man's best friend
And what we used to show us peace and love,
it's not the symbol of a man, it is the white-winged dove

Sarmoti in every part of life,
Let us walk upon the Earth as though we're here on borrowed time

Sarmoti is in a lion's cry
It does not intimidate, it's teaching us to try

Past the eyes, in the soul
We're living the same life

Sarmoti is behind the tiger's eyes,
whether man or beast, in every walk of life
Sarmoti is in a lion's cry
It does not intimidate, it's teaching us to try
Sarmoti (Sarmoti, Sarmoti, Sarmoti, Sarmoti...)
