

PSI Girls

Sauna Youth

You and I,
We share common traits,
Inability to communicate,
Effectively,
It's all just,
Shouted hopes and hushed apologies.
A quiet joke,
A swollen river,
Nearing the mouth of the sea.
Mind and eye,
They see through,
When he dusts off the girls start to sing.
"La La La La La La La La La" You and I,
We share common traits,
Inabilities
To communicate,
Effectively,
It's all just
Hushed hopes and apologies.
Purposeful,
Complex,
Complete,
I saw that look knowing what it means,
Leader of men.
Invitations lost on,
He dusts off,
The girls start to sing. "La La La La La La La La La"
You and I,
We share common traits,
C-c-c-c-c-common traits.
Just a need,
To communicate.
These, common traits.
