

Teenage Party

Tommy Steele

Gonna have a teenage party
We're gonna have a teenage time
We're gonna make it high and hearty
If you're ready, that's fine Really rock and jive together
Really take the floor together
Really stay alive together
Whether you're ready or not, not, rock! (Saxophone & Guitar Solos)
Walk down a teenage passage
Open up a teenage door
Soon you'll get the teenage message
Rockin' thru the floor
Take a note, unquote
Take a line, that's fine
From the top, woo-oo-oo-oooh, full stop, rock! (Saxophone Solo) We're gonna have a teenage party
We're gonna have a teenage rave
We're gonna make it high and hearty
Just think of all the sleep you save Really rock an' jive, oh-oh-oh
Really stay alive, oh-oh-oh
Really rock the floor, oh-oh-oh
Whether you're ready or not-not-a-not-a-rock! (Saxophone Solo)
We're gonna have a teenage party
We're gonna have a teenage time
We're gonna make it high and hearty
If you're ready, that's fine
