Only Happy When It Rains

Richard Cheese

I'm only happy when it rains
I'm only happy when it's complicated
I know, I know you can't appreciate it
I'm only happy when it rainsYou know I love it when the news is bad
Why it feels so good to feel so sad
I'm only happy when it rainsPour your misery down, pour your misery down on me
Pour your misery down, pour your misery down on meI'm only happy when it rains
My only comfort is the night gone black
I didn't accidentally tell you that
I'm only happy when it rainsYou wanna hear about my new obsession
I'm riding high upon a deep depression
I'm only happy when it rains
