

Just For Now

Kelly Clarkson

Just for now
It's that time of year
Leave all our hopelessness's aside
If just for a little while
Tears stop right here,
I know we've all had a bumpy ride
I'm secretly on your sideHow did you know
It's what I've always wanted
Could never have had too many of these
Will you quit kicking me under the table
I'm trying, will somebody make her shut up about it
Can we settle down please
It's that time of year
Leave all our hopelessness's aside
If just for a little while
Tears stop right hereI know we've all had a bumpy ride
I'm secretly on your side
Bite tongue
Deep breaths
Count to ten
Nod your headI think something is burning
Now you've ruined the whole thing
Muffle the smoke alarm
Whoever put on this music
Better quick sharp remove it
Pour me another
Oh, don't wag your finger at me
It's that time of yearLeave all our hopelessness's aside
If just for a little while
Tears stop right here
I know we've all had a bumpy ride
I'm secretly on your side
Get me, get me outta here
Get me, get me outta here
Just for now
Please
