

# Blood Money

## Burning Image

It's just an illusion you've lost your way  
Your state of confusion won't go away  
This is Blood Money and they'll take what they need  
There's no one to stop them  
When it's time to feed  
This is Blood Money  
This is Blood Money YOU WILL DO WHAT WE SAY  
YOU WILL WATCH WHAT WE SAY  
YOU WILL BUY WHAT WE SAY  
YOU WILL DIE WHEN WE SAY They'll fuck with your future  
They fucked with your past  
Don't be so happy, cause it won't last  
This is Blood Money, you have nothing left  
Just find a dark corner  
And wait for your death  
This is Blood Money  
This is Blood Money Repeat chant
