

I Am Woman

MC Lyte

I am woman, hear me roar
When I grab the mic it's never a bore
When I'm on stage, sayin' a rhyme
I often wonder what ya think of mine
Is it fresh or weak, or is it live or dead?
Yo, it's got ta be somethin' if you're boppin' your head
To the beat, can I get an amen brother?
Liked that rhyme? Well here goes another Hold up, hold up, hold up. Check it out. Before we go any further we
Gotta announce who we are. I am DJ K-Rock and this is my homegirl, MC Lyte. Kick it for 'em We had to
pause for station identification
Now ya know my name here's some more information
Well, let's see, what you wanna know about me?
MC L-Y-T-E
The Queen Nah, that's too corny
The Sexy Nah, that gets the guys too horny
The Best Now that sounds conceited
But what is true is true, so it has to be repeated
The best is Lyte, when I'm on the mic
And MC's look straight ahead cos this pitch'll make your neck tired
And I say loosen up and relax
The fiction you been livin' Imma fill with facts
Right now MC Lyte, DJ K-Rock. Name of the group is Me and My DJ. Kickin' it
Live in '88. Do it
