Ride On

Gotthard

Hunger , In The Saddle Again
I Just Can??T Say No
Thunder , The Call Of The Wild
That's When I Got To GoNever Got Enough
Always Back For More
I??M On Top Of The World, I??M Alive
I Hear The Motor Rumble
N??Running OverdriveInto The Night
Know I Gonna Find
Where Is The Road
For The Peace Of Mind
It??S A Neverending Ride
On The Wings Of Destiny
Don??T Know `Bout Tomorrow
Or What Will BeAll I Want IsRide On , Ride On
Under One Big Sky
Ride On , Ride On
Till The Day I DieDevil , Gotta Wait For Me
I??M Down On "1O1"
This Happens To Be My Number
My Life Has Just BegunNever Got Enough
Always Back For More
I'm On Top Of The World I'm Alive
I Got My Motor Burnin', Yeah
N' Runnin' Overdrive
