

Taken

Nathan Sykes

Look at everybody
Looking at you tonight
Doing anything they can do tonight
To talk to you
Look at everybody
Making the moves on you
They're dying just watching you dance
Don't they know they got no chance If somebody gets a little bit too close tonight (too close tonight)
If somebody looks a little too deep in your eyes Tell 'em you're taken
Tell 'em you're coming home with me
You gotta be staying
Oh oh oh
Telling 'em you're making
Making-making plans-plans
For the rest of the night
For the rest of your life
Tell 'em a little to late
Oh baby
Tell 'em you're taken
Tell 'em you're taken Look at everybody (everybody)
Tryna get close to you (to you)
Yeah we know that they ain't gonna get very far
'cause they ain't anybody beginning with you or me
They're dying for your affection
Ain't gonna get no attention If somebody makes a move and take my place tonight
Then what you're gonna do is set them
Straight tonight Tell 'em you're taken (taken taken)
Tell 'em you're coming home with me
You gotta be staying (staying staying)
Oh oh
Tell 'em you're making
Making-making plans-plans
For the rest of the night
For the rest of your life
Tell 'em a little to late
Oh baby
Tell 'em you're taken You're going nowhere
With no one but me tonight
That's the way it's gonna (be tonight)

And every night
So tell 'em you're taken (taken taken)
Tell 'em you're coming home with me
You gotta be staying (staying staying)

Oh oh

Tell 'em you're making
Making-making plans-plans
For the rest of the night
For the rest of your life
Tell 'em a little to late
Tell 'em you're taken (taken taken)
Tell 'em you're coming home with me
You gotta be staying (staying staying)

Oh oh

Tell 'em you're making
Making-making-making plans
For the rest of the night
For the rest of your life
Tell 'em a little to late

oh baby

Tell 'em you're taken
Tell 'em you're taken
You're coming home with me
Tell 'em you're taken
Tell 'em you're taken

Oh

Tell 'em you're taken
