

# Real Man

## Bruce Springsteen

Advisory - the following lyrics contain explicit language:

Took my baby to a picture show  
Found a seat in the back row  
Sound came up lights went down  
Rambo he was blowin' 'em down  
I don't need no gun in my fist baby  
All I need is your sweet kiss  
To get me feelin' like a real man  
Feelin' like a real man  
Well you can beat on your chest  
Hell any monkey can  
But you got me feelin' like a real man  
Oh feelin' like a real man Me and my girl Saturday night  
Late movie on channel five  
The girls were droppin' they're droppin' like flies  
To some smooth talkin' cool walkin' private eye  
I ain't got no nerves of steel  
But all I got to know is if your love is real  
To get me feelin' like a real man  
Oh feelin' like a real man Well you can beat on your chest  
Hell any monkey can  
Your love's got me feelin' like a real man  
Oh feelin' like a real man I ain't no fighter that's easy to see  
And as a lover I ain't goin' down in history  
But when the lights go down and you pull me close  
Well I look in your eyes and there's one thing I know  
Baby I'll be tough enough  
If I can find the guts to give you all my love  
Then I'll be feelin' like a real man  
Feelin' like a real man  
Well you can beat on your chest  
Hell any monkey can  
You got me feelin' like a real man

Oh feelin' like a real man  
Yeah I been felin' like a real man  
Feel'n like a real man
