

# Peace in Mind

Joan Armatrading

Slow to be angered, quick to forgive  
No jealous state am I in  
Some people get satisfaction from being  
And bringing down, but you know Pleasant things are still gonna happen  
If you're fun or wear a frown  
So go on with your plan  
I thought you were better than that I know that good things  
Are still gonna happen  
If you lie or make it sound Cold, it's a state of mind  
And I know whatever happens  
I need peace in mind You're looking for something  
And I suspect revenge, alright  
Get your satisfaction hurting me inside  
But you know somehow I saw it happening and it's sad  
It came about so go on with your plan  
I thought you were better than that I know that good things  
Are still gonna happen  
If you lie or make it sound Cold
