

Eye of the Beholder

In Flames

Do you see what I see?
Truth is an offence
Your silence for your confidenceDo you hear what I hear?
Doors are slamming shut
Limit your imagination
Keep you where they mustDo you feel what I feel?
Bittering distress
Who decides what you express?Do you take what I take?
Endurance is the word
Moving back instead of forward
Seems to me absurdDoesn't matter what you see
Or into it, what you read
You can do it your own way
If it's done just how I sayIndependence limited
Freedom of choice is made for you my friend
Freedom of speech is words that they will bend
Freedom with their exceptionDo you fear what I fear?
Living properly
Truths to you are lies to meDo you choose what I choose?
More alternatives
Energy derives from both the plus and negativeDo you need what I need?
Boundaries overthrown
Look inside to each his ownDo you trust what I trust?
Me, myself and I
Penetrate the smokescreen
I see through the selfish lieDoesn't matter what you see
Or into it, what you read
You can do it your own way
If it's done just how I sayIndependence limited
Freedom of choice is made for you my friend
Freedom of speech is words that they will bend
Freedom with their exceptionDo you know what I know?
Your money and your wealth
You silence just to hear yourselfDo you want what I want?
Desire not a thing
I hunger after independence
Lengthen freedom's ringDoesn't matter what you see
Or into it, what you read
You can do it your own way

If it's done just how I say
Independence limited
Freedom of choice is made for you my friend
Freedom of speech is words that they will bend
Freedom no longer frees you
Doesn't matter what you see
Or into it, what you read
You can do it your own way
If it's done just how I say
