No Weaknesses

The Dirty Nil

Wish I was taller, a little louder
Hearing things from a higher power
Hand to god and all the sheepish
Me and satan versus jesus
Now i'm sweating for a living, no end in sight
But I have No WeaknessesLittle Girl come be my ever
All your enemies tarred and feathered
"Glory glory, Halleluja" they'll pray as we say HA HA HA
Now we're sweatin' in the linen and it feels so right
Cause we have no weaknessesFor a time when sway was mine
No end in sight for me
