

Dear Angie (2010 - Remaster)

Badfinger

Dear Angie, just these lines to confirm something you may know
Dear Angie, please excuse the writing, it's my nerves, you know
 When you caught your train today
 You took my heart and soul away
 I can't wait 'til Friday night
 To see you, touch you, hold you tight
Dear Angie, how's your folks and relatives?
 I hope they're well
Dear Angie, I'm spending my vacation at that same hotel
 I've known you now for one whole year
 There's something I've not told you, dear
 Turned a blind eye for too long
 This letter proves that I've been wrong
 Ba ba da, ooooooooooh
 Ba ba da, ooooooooooh
 I've known you now for one whole year
 There's something I've not told you, dear
 Turned a blind eye for too long
 This letter proves that I've been wrong
Dear Angie, I've beat about the bush, it's time I spoke my mind
Dear Angie, It's been a long time coming, guess I've been unkind
 Dear Angie, the writing's on the wall
 Dear Angie, I love you, you're my all
 Guess that's all.
