Do It Again

The Beach Boys

It's automatic when I
Talk with old friends
The conversation turns to
Girls we knew when their
Hair was soft and long and the
Beach was the place to go

Suntanned bodies and
Waves of sunshine the
California girls and a
Beautiful coastline
Warmed up weather
Let's get together and
Do it again

With a girl the lonely sea looks good in moonlight
Makes your nighttimes warm and out of sight

Been so long
(Hey now hey now hey now hey now hey now)
(Hey now hey now hey now hey now hey now)

Well I've been thinking 'bout
All the places we've surfed and danced and
All the faces we've missed so let's get
Back together and do it again

Ow!
