Soulseeker

CLAYMORE

Ask her why, she tells the story
Of the souls lost to tainted glory
The strong survive, that's what she told me
But in her eyes there's only mourning

People gotta know what she is
Addictive like the drug that she is
And now I got nothing give
Gave it all just to get away

People got to stay far away
Dangerous girl, don't think she could save
Your life, your heart
It's a mistake

She's soulseeker yeah
Can't you see me now? I'm running back
I need her touch again
And she's coming to get me
