

Dream Baby Dream

Bruce Springsteen

Dream baby dream
Dream baby dream
Dream baby dream
Come on and dream baby dream
Come on and dream baby dream We gotta keep the light burning
Come on, we gotta keep the light burning
Come on, we gotta keep the light burning
Come on, we gotta keep the light burning
Come on and dream baby dream We gotta keep the fire burning
Come on, we gotta keep the fire burning
Come on, we gotta keep the fire burning
Come on and dream baby dream Come open up your heart
Come on and open up your heart
Come on and open up your heart
Come on dream on, dream baby dream Come on and open up your heart
Come on and open up your hearts
Come on and open up your hearts
Come on dream on, dream baby dream Come on, we gotta keep on dreaming
Come on, we gotta keep on dreaming
Come on, we gotta keep on dreaming
Come on dream on, dream baby dream Come on darling and dry your eyes
Come on baby and dry your eyes
Come on baby and dry your eyes
Come on dream on, dream baby dream Yeah I just wanna see you smile
Now I just wanna see you smile
Yeah I just wanna see you smile
Come on dream on, dream baby dream Come on and open up your hearts
Come on and open up your hearts
Come on and open up your hearts
Come on dream on, dream baby dream Yeah I just wanna see you smile
And I just wanna see you smile
Yeah I just wanna see you smile
Come on dream on, dream baby dream Yeah I just wanna see you smile
Yeah I just wanna see you smile
Yeah I just wanna see you smile
Come on dream on, dream baby dream Come on and open up your heart
Come on and open up your heart
Come on and open up your heart
Come on dream on, dream baby dream Come on dream on, dream on baby

Come on dream on, dream on baby
Come on dream on, dream on baby
Come on dream on, dream baby dreamAh ah ah ah
