

Once In a While (CRC Demo)

Smashing Pumpkins

Horses run
Once in a while for you
The shades will draw
Once in a while for you
Destiny will hide the sense
Of your timeOnce in a while
Once in a while for you
Once in a while for you
Once in a while for youThe soldiers will fall
Once in a while for you
The shades will crawl
Once in a while for you
You'll take the walls
I will take the new ringOnce in a while
Once in a while it's you
Once in a while it's youOnce in a while
You'll make it on your own
You'll make it so alone
Feel so aloneYou'll try to care
Once in a while for me
And I will be there
Once in a while
Once in a while for you
Once in a while for you
Once in a while for you
