

Sovereign God (Reprise)

[Maurette Brown Clark](#)

There aren't even words to describe just how great You are
In all Your majesty
You continually
Provide for me
There just isn't anything that You can't do
Lord I've seen Your work before
So I'll trust you all the more
Because You are

You are the sovereign God
Bigger than all my problems
And every situation
There is nothing too hard
For the sovereign God

A wave of Your hand can command the seas to hold their peace
If you can handle the seas
Then I know that You can deal with all my needs
So I will put every situation
Into Your capable hands
I don't have to know the plan
Because You are

You are the sovereign God
Bigger than all my problems
And every situation
There is nothing too hard
For the sovereign God

He is able to do exceedingly abundantly
Above all we ask or think
So take all your burdens and lay them at His feet
And watch Him meet the need
We have the victory
Because You are

You are the sovereign God
Bigger than all my problems
And every situation
There is nothing too hard

For the sovereign God

He is sovereign, He is

He is sovereign, He is

(repeat sequence 3 times, inverting each time up to one octave?)

You are the sovereign God

Bigger than all my problems

And every situation

There is nothing too hard

For the sovereign God
