

# All Wound Up

## Cheap Trick

You've got me all wound up and ready to go  
Every night when I see your eyes  
You look like no other  
Even though the world have all kinds  
You can find friends and lovers  
Where have you been all my life?  
Why did you wait so long?  
I've been lookin' every night  
I'll be with you from now on  
Hey, hey, hey, you've got me all wound up  
And ready to go, hey, hey, hey  
You've got me all wound up and ready to go  
If you feel left out in the crowd  
You are not the only  
You can go where the music is loud  
And you won't be so lonely  
Where have you been all my life?  
Why did you wait so long?  
I've been lookin' every night  
I'll be with you from now on  
Hey, hey, hey, you've got me all wound up  
And ready to go, hey, hey, hey  
You've got me all wound up and ready to go  
Where have you been all my life?  
Why did you wait so long?  
I've been lookin' every night  
I'll be with you from now on  
Hey, hey, hey, hey, hey, hey  
You've got me all wound up and ready to go  
Hey, hey, hey, you've got me all wound up  
And ready to go, hey, hey, hey  
You've got me all wound up and ready to go  
Hey, hey, hey, you've got me all wound up  
And ready to go, hey, hey, hey  
You've got me all wound up and ready to go, ready to go
