

# Nebulous

## Meshuggah

Drowned in this screaming silence  
Embraced by shadows, they tear me  
The wormholes free my eyesThe blood boils, it knows  
My thoughts burn as minds liquefy, vaporize  
Reality scorched by this fixed stateAll beginnings slain by ends  
I seep down into the black to breathe  
Drifting to merge with the past  
My tongue licks the residue of the futureBitter taste, the wombs of claws call me  
Filth rips them open, the stillborn start to move  
Lidless eyes twitching beneath a sheet of rot  
They reach out, they want to kiss, it matters not
