

# Sunshine

## Devotion

(r. hidalgo, additional lyrics: eric cruz, j.p. riturban) Verse i

Do you remember the time  
When you walked into my life  
Girl, I was so confused, my heart was filled with pain  
But then you came and my whole world changed  
With just a look at your smile all the hurt went away  
That's when I knew that I'd be with you

Yeah Chorus:

You are my heart (you are my heart)  
You are my sunshine (you are my sunshine)  
You bring me joy and the love that I need

You are my life Verse ii

It's like you were meant to be mine  
(I needed someone like you)  
God answered all of my cries  
(sent me an angel like you)  
'cause girl whenever we're together  
Something strange comes over me  
I can't think and my heart rushes endlessly  
'cause when I hold you inside my arms  
Girl, I never want to...never want to...let you go

No Chorus:

You are my heart (you are my heart)  
You are my sunshine (you are my sunshine)  
You bring me joy and the love that I need

You are my life Bridge:
