

J Train (Linney Brothers + DJ Maj Remix)

[tobyMac](#)

[Yo, turn me up in my microphone so I can Bless God's people. You know Kirk Franklin and Toby Mac on this gospel train. Now tell me you wanna ride BABY! BABAA!]

I got a ticket to ride
(I gotta a ticket to ride to the other side)
I got a ticket, I got a ticket
I got a ticket to ride Ride, ride wanna ride on the J-Train
On the J-Train, wanna ride on the J-Train
Ride, ride wanna ride on the J-Train
On the J-Train, wanna ride on the J-Train Sit back, relax put on your travelin' gear
No need to doubt so put aside your fear
Destination, out of this atmosphere
It's the J-Train baby, we depart from right here No lines to fight no ticket to price
I'm rollin' first class 'cause I've seen the light
Try as you may but your money can't buy
A ticket on the J-Line to the other side I got a ticket, I got a ticket
I got a ticket to ride
I got a ticket, I got a ticket
I got a ticket to ride
(I gotta a ticket to ride to the other side) Ride, ride wanna ride on the J-Train
On the J-Train, wanna ride on the J-Train
Ride, ride wanna ride on the J-Train
On the J-Train, wanna ride on the J-Train Now I missed the Train more than once in my life
Til' the good conductor heard my Momma's cry
Hades to Glory in the blink of an eye
Hear me now, hear me now while I testify Heard the whistle blow I felt a chill to the bone
All aboard is what I heard it I was headed for home
Had a reclinable seat but I just had to stand
Up on the, "J" all the way to the promise land I got a ticket, I got a ticket
I got a ticket to ride
I got a ticket, I got a ticket
I got a ticket to ride
(I gotta a ticket to ride to the other side) Ride, ride wanna ride on the J-Train
On the J-Train, wanna ride on the J-Train
Ride, ride wanna ride on the J-Train
On the J-Train, wanna ride on the J-Train Do you wanna ride say
To the other side say
If you wanna ride say
Get on the freak-line I got a ticket, I got a ticket
I got a ticket to ride

I got a, I got a

I got a, I got a

I got a, I got a
